General Guidelines

- Please refer to the Lands’ End itemized list, Schoolbelles’ catalog, and JCPenney’s information sheet. The websites provide easy ordering.
- Clothing should be neat, clean and comfortable—NO OVERSIZING OR UNDERSIZING.
- Hair should be neat and clean, worn in traditional styles. A small amount of natural-looking, subtle hi-lights is acceptable. If people abuse this privilege, it will no longer be allowed. A hairstyle should not obstruct a student’s vision.
- Jewelry: Necklaces, “stud” earrings (one per ear, in the earlobe), ankle chains, and bracelets should be **appropriate for school activities** including recess and P.E. classes. Stud earrings are simple “post” style earrings that do not hang below the earlobe at all. Jewelry should not be excessive or distracting.
- Make-up for middle school girls only: clear nail polish, clear lipstick, light mascara, and blush—**NO EYE-LINER, EYE SHADOW**, body paint, glitter, stickers, decals, or tattoos. Traditional white/clear French-tipped manicures are acceptable.

The administration, faculty, and staff have the authority to make decisions based on the appropriateness of dress as it conforms to the dress code. Violations will be handled as needed. Consequences for violations may range from changing clothes to Saturday School detentions, to be decided by the administration, faculty, or staff. The administration may grant exceptions from the dress code for a given group, class, or the entire school because of special days, events, and field trips.

Parents: Please make sure any piece of clothing that a student might remove during the course of the day is labeled. With so many similar pieces of clothing, it will be difficult to identify misplaced items.
