

St. Charles Middle School Dance Dress Code

The following are the general guidelines as to what is appropriate dress for middle school dances:

Girls:

- Dresses/skirts should be fingertip length (no shoulder shrugging)
- Straps need to be one inch wide. If your top has spaghetti straps, you need to have a sweater, etc. and it needs to remain on at all times.
- No midriffs are to show.
- Necklines should be appropriate – avoid deep, revealing necklines, etc.
- Skirts are not to have long thigh-high slits.
- Heels are fine, but, keep in mind your safety and comfort when wearing three inch heels for three hours

Boys:

- Low-hung and baggy jeans are not allowed.
- T-shirts with inappropriate sayings are not allowed.

These rules apply to all dances, whether costume dance or not. Rules for dances may vary according to the nature of the dance.

The overall idea is to keep in mind the image you present. You want to look like an appropriately dressed middle schooler.
