

ARE YOU INTERESTED IN RUNNING FOR A PARISH LEADERHIP POSITION?

St. Charles School Commission

The St. Charles Board of Education formerly served as the governing body for our parish school and the religious education department. To better serve the particular needs of the school and the religious education department, the Board of Education has evolved into the School Commission and a Faith Formation Commission is being developed. The School Commission is a consultative body that consists of nine to eleven elected or appointed members who assist the pastor and the principal in strategic planning and monitoring, policy-making, marketing and development, and communications for St. Charles School and Daycare.

Members of the School Commission serve a three-year term. New members are elected each spring. Individuals running for the School Commission should be able to commit to a three-year term with attendance at an evening meeting on the second Wednesday of the month and availability for committee work. Any registered member of the parish who is 18 years of age or older may run for election for a three-year term on the school commission.
